

REGENESYS

BUSINESS SCHOOL

GLOBAL MBA

About Regenesys

Regenesys Business School is a provider of world-class business education with campus in South Africa, & offices in India & Nigeria. Recognized for excellence in academics and high quality management education, Regenesys has been instrumental in making valuable contributions to individuals, society and industry professionals. This premier business institute has influenced students and corporates alike, operating in the management and executive education space. Over past two decades, careers of over 200000 students and over 1000 corporates have been transformed with our unique educational model. The curriculum of our management and leadership courses are devised from both the local and global perspective.

Regenesys stands apart in integrating cognitive, emotional and spiritual elements into management and leadership training. Moreover, we offer a range of educational services through our following arms:

Dananda Talent Management offers placement services and career support to all our graduates; when they graduate and as their careers take off. Many alumni use Dananda as their recruiter of choice for the organisations they lead.

MyWealth Investments: The financial needs of our graduates are taken care of by MyWealth; an authorised financial services provider. MyWealth provides training in managing personal finances as well as the management of investment portfolios, and retirement planning.

The Regenesys Foundation is the philanthropic arm of Regenesys Business School. The Foundation secures donations to make quality online business education available to those who cannot afford it. Alumni make significant contributions to its programmes. The Regenesys Alumni Association provides a platform for fellowship, networking and maximising graduates' investment in education.

The **BRICS Institute** aims to promote business development within the BRICS countries through an executive leadership programme.

Each of our business units integrate to provide comprehensive & continuous support and assistance to our graduates as they grow experience and expand their careers.

Founder's Message

Dear Students,

I am delighted to welcome you to Regenesys South Africa.

The purpose of Regenesys is to help individuals achieve their dreams.

We believe that every human being has a unique talent and an inner power to achieve their dreams.

However, this potential is commonly blocked by fears and beliefs of self-limiting nature.

We help our students break their fears, change their self-limiting beliefs and achieve greatness by awakening their potential.

We do this by providing high quality management and leadership development education programmes which not only develop their intelligence quotient but also emotional, spiritual, social, physical and environmental quotients.

Regenesys Campus at South Africa is a special place of higher learning, matched by none. It is a life-changing place. After completing Regenesys programmes, you will be empowered with knowledge, skills and the wisdom to pursue your career in large multinational corporates, in government or be encouraged to start your own business.

You will have the chance to meet top CEOs, entrepreneurs and government leaders. Whatever dreams you decide to pursue, Regenesys will be there for you every step of the way, always encouraging you to dream bigger and never to give up.

Learning is a life-long process. I wish you success on your journey of learning, to becoming a better human being, a better leader, and ultimately making our world a better place. Regenesys commits to being your life-long companion on that journey.

I would like to reassure you that you have chosen the right business school.

Wishing you happiness,

Dr. Marko Saravanja
Founder and Chairperson
Regenesys Group

Leadership Programme

This programme is offered by Regenesys Business School, South Africa.

Students study the Postgraduate Diploma in Business Management (PDBM) NQF level 8 and after completing PDBM, they enroll for their MBA (NQF level 9). During the course, students earn two certifications- **PDBM** and **MBA**.

The programme challenges the thinking process of students by offering a global education platform. It offers international exposure, incorporating both theoretical study & practical experience.

Year One: PDBM

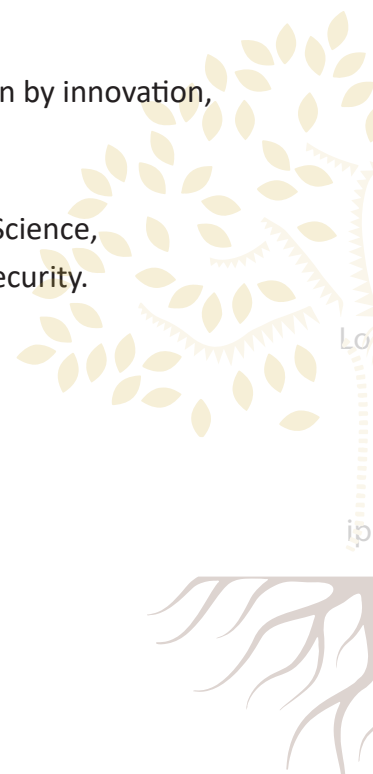

The PDBM programme (NQF level 8) will enable you to make a real difference in your management practice through active use of frameworks, theories and tools. As a PDBM student, you will participate in several practical exercises and get a chance to apply classroom knowledge to real-life situations.

Regenesys is committed to assisting you to achieve your qualification and also acquire the skills essential for success, amongst others.

We do this by providing academic support and student enhancement services designed to develop you holistically and prepare you for the corporate world.

This programme will enrich students with core skills and knowledge in a world driven by innovation, disruption and rethinking.
